Take Home

What is the difference
between "I like you" and
"I love you"?
Beautifully answered
by Buddha:
When you like a flower, you
just pluck it. But when
you love a flower,
you water it daily.
One who understand this,
understands life.

FAITH MATTERS

As I passed the cherry tree in February,
It had a bare and forlorn look about it.
It contained not a shred of beauty.
In fact it required no small act of faith
To believe that it was still alive.
I passed the tree again in April.
When I look at it now I could scarcely believe my eyes,
So great was the transformation it had undergone.
It was decked out now in a robe of beautiful blossoms.
From where had all this beauty come?
It had come from within the tree itself.
On looking at it back in February,
When it was still in the grip of Winter
Who could have believed it contained all this
Stunning and "stop me" colour and beauty.
Sometimes we write off people as having no possibilities.
If in some people these possibilities
Haven't yet manifested themselves,
All it means is that for them Spring hasn't come yet.
Or perhaps we do not have eyes to see
Or hearts to hear the beauty in each other
Remember,
It is always Spring time in the heart that loves God.
